Patrolmen have found 161 store doors unlocked.

Have given 1,102 lodgings.

Have given 435 meals.

Have fingerprinted 41 persons.

Have investigated 81 motor accidents.

Have investigated 463 traffic violations.

A spirit of goodwill and coöperation at all times has existed between the Police, City and Sheriff departments in apprehending fugitives from justice; and very few

88TH ANNUAL REPORT, CITY OF ROCKLAND

crimes have been committed, but what the guilty parties have been brought into our courts.

Traffic has been very heavy this year but we are glad to report but one fatality and no serious accidents. Our police force has been inadequate at times to properly relieve congestion and to reduce hazards at certain places; so often our officers are called from their beats to investigate crimes from all parts of our city. This condition should be overcome by at least one more officer, to be known as an Investigating Officer, in order to have a strict enforcement of traffic rules. We must insist on more manpower to properly police our city.

In these times of Civilian Defense, I again call your attention to the necessity of a Call Box installation in the vicinity of Rankin Block. The officer on night duty on this beat, after midnight, has no way of contacting the office, regardless of what happens. I feel that where such equipment is not available, it should be provided at once.

Respectfully submitted,

ARTHUR D. FISH,

City Marshal.

J. N. SOUTHARD.

Chairman, Overseers of Poor.

Report of Fire Chief

To the Honorable Mayor and Gentlemen of the City Council:

I hereby tender my report as Chief Engineer of the Rockland Fire Department for the municipal year ending November 1, 1941, as follows:

There were a total of 281 calls answered, of which 125 were chimney fires, 20 out-of-town calls, 45 grass fires, 5 false alarms, 70 box alarms, 4 lost persons, 5 resuscitator and 7 miscellaneous.

Our fire loss for this year has been very low—\$3,402.00.

I hereby recommend the purchase of six more salvage blankets.

We have on hand 7,500 feet of 2½-inch hose and 1,150 feet of 1½-inch hose, all of which is in first-class condition. All of our fire equipment is in first-class condition.

We have had a very intensive training program for the past year. All schools and public places have been inspected regularly and all complaints promptly attended to.

I hereby recommend the purchase of two new alarm boxes to be installed in our business section and that the older ones be moved into our residential sections. Our alarm system is very inadequate.

In closing, gentlemen, I wish to thank the Mayor, City Council, and members of my department, for the fine support which they have given me.

Respectfully submitted,

VAN E. RUSSELL,

*Chief of the Fire Department,
Rockland, Maine.*

Report of City Solicitor

November 15, 1941.

To the Mayor and Members of the City Council:

I herewith submit my third annual report as City Solicitor. During the year there has been the usual consultations with the various department heads. The most important business in this department has been the acquisition of land in the Town of Owl's Head for the purpose of a Municipal Airport. Of the fifteen parcels condemned for municipal purposes only one appeal was taken from the award of the Municipal Officers, and this case has been satisfactorily disposed of, so that there is no litigation of record at this time pending either for or against the city. We have met with unusual success in prosecution of pauper settlements with the result that we have no family on relief in the city today whose legal settlement is questioned by any other municipality of the State. During the year also there have been many redemptions of land on the part of persons who had lost title by virtue of tax liens.

In conclusion, I desire to thank all of the Municipal Officers for their splendid coöperation with my Department throughout the year.

Respectfully submitted,

STUART C. BURGESS,

City Solicitor.

Report of Trustees of Public Library

To the Honorable Mayor and Gentlemen of the City Council:

DEAR SIRs:

We hereby beg to submit the 50th annual report of the Trustees of the Rockland Public Library.

The year on the whole has been satisfactory, its present group of workers contributing to this standard of efficiency.

Some 55,000 books have been in circulation, to say nothing of the benefits derived from the reading rooms.

The Library suffered a distinct loss in the death of William O. Fuller, Esq., whom our City was pleased to reappoint for successive years as Trustee, an office for which Mr. Fuller was eminently well qualified, interested as he was in books and the cultural advantages of today.

The Library acknowledges with thanks gifts received during the year: a collection of books from Mrs. W. O. Fuller; ten dollars from the Shakespeare Society.

We respectfully request that the City consider the construction or at least repairs to the walks leading to the Library building.

Respectfully submitted,

H. P. BLODGETT,

J. A. JAMESON,

R. S. SHERMAN,

CLEVELAND SLEEPER, JR.,

E. L. BROWN,

Treasurer, Rockland Public Library.

Report of Public Health Nurse

To the Honorable Mayor and Gentlemen of the City Council:

I herewith submit my report of the Rockland District Nursing Association for the City of Rockland, from July 1, 1940, to July 1, 1941:

NURSING AND HEALTH SUPERVISION

To expectant mothers,	207 visits
Deliveries attended,	3
Nursing care to mothers after childbirth,	237 visits
Nursing care to newborn infants,	258 visits
Nursing care to medical, surgical and communicable diseases,	1,661 visits
To tuberculosis patients,	50 visits
Venereal disease,	15 visits
Crippled children,	16 visits
To infants and preschool children for health supervision,	1,653 visits
To adults for health supervision,	13 visits
Parent consultations,	420 visits
Total visits for year,	4,533

SCHOOL WORK

School children, to the number of 1,833, were weighed, measured and examined at the beginning of the school year. The results of these examinations are as follows:

Number found with defects,	815
----------------------------	-----

88TH ANNUAL REPORT, CITY OF ROCKLAND

Number found with defective teeth,	715
Corrections,	242
Number found with defective throats,	88
Corrections,	33
Number found with defective vision,	101
Corrections,	50
Number found with defective hearing,	32
Corrections,	6
Parent consultations,	420
Teachers assisted with health programs,	34
Sanitary inspections of schools and grounds,	44

Classroom inspections were made in the grades each month. Due to the increased demand of bedside work, the nurse's work in Junior High and High School has been limited to the annual examinations given at the beginning of the school year, and to any emergency which may arise.

Authorities in the public health field feel, if the nurse's work is to be limited, it should be in those grades, and more emphasis placed in the work in the lower grades, in order that the pupils may enter Junior High with the concepts of health education from their grade teachings.

The teachers, as always, give splendid coöperation with the health work in the classroom. A notice was sent to the parent of each child found with a defect. During the course of the year, more than 400 "Home Visits" were made to these parents to aid in interpreting the notices and to assist the family whenever necessary in having the defects corrected.

CLINICS

A "Summer Round-Up" was held for the examinations of all children who were entering school for the first time in September. Eighty-six children attended. The examinations were made by our physicians, throat specialist, eye specialist and two dentists. The teachers assisted at the clinics. Sixty-six children were inoculated for diphtheria at this clinic.

Small clinics were held at Knox County Hospital for the removal of tonsils and adenoids. Dr. Ellingwood performed the operations and the physicians gave the anesthetics gratuitously. The hospital makes no charge for the use of the operating room or laboratory, and not quite one-half fee for the room and board. Twenty-three were operated upon through these clinics in the past year.

In coöperation with the Maine State Department of Health, a tuberculosis clinic was held in the schools. A total of 939 pupils were tested, and 18 children reacted to the tests.

Following this, X-rays were taken of those reacting for the first time this year, plus 33 pupils who are being followed from year to year for an annual check-up as reactors of previous years. In addition to these X-rays, 22 contacts were X-rayed at the school clinic. The reports of these X-rays are given to the family physician, patient and nurse, for whatever follow-up work is advised. A total of 73 X-rays were taken.

Eleven dental clinics were held. Children from the

88TH ANNUAL REPORT, CITY OF ROCKLAND

first four grades attended. The report of this work is as follows:

- 102 children attended
- 102 cleanings
- 163 fillings of permanent teeth
- 104 extractions of temporary teeth
- 6 extractions of permanent teeth

Twelve baby clinics were held, with an attendance of 327 children. Mothers from the surrounding towns in the county attended, as well as our own mothers. Literature, layettes, cod liver oil and cereal are provided at the clinics at the nurse's discretion. Due to there being no satisfactory clinic facilities until March, and the illness of Dr. Popplestone, the clinic physician, the clinics were dispensed with until a meeting of the Knox County Medical Association at which time other physicians were appointed to serve. This will begin at the first clinic in August, when Dr. Wesley Wasgatt will be in charge of the clinic at that time. Diphtheria inoculations and vaccinations for smallpox will be resumed at the clinics.

Glasses have been provided for eight children.

Three crippled children's clinics have been held in this district, under the State Bureau of Health. The nurse has assisted at these three clinics.

Two lectures in Public Health Nursing were given before the student nurses at Knox Hospital. One talk was given before the mothers at the local W. C. T. U. as part of their May Day Health program.

One case for the Travelers' Aid Society was investigated and reported upon. Eight social service cases for out-of-State agencies were investigated and several cases with the State social worker, also the city matron.

In March we were delighted to coöperate with the Kiwanis Club in their project of sponsoring the noon lunch for the under-privileged children. In October we hope to coöperate to a greater extent with them in increasing the project.

The nurse has had the assistance in her clerical work in the office and in the schools, of the N. Y. A. girls during the entire year. This has been of great help to her in many ways.

A registry for practical nurses has been kept during the year and thirty-two calls have been answered.

Due to the increase of more than 700 nursing calls above last year, the preventative work in tuberculosis and social hygiene has decreased slightly from last year. We hope the coming year will have more time for this much-needed work in the field.

Our objectives for the coming year are as follows:

1. To do more tuberculosis work in the school and homes.
2. Inoculation for diphtheria for every baby before he is one year old.

88TH ANNUAL REPORT, CITY OF ROCKLAND

In concluding this report I wish to express my appreciation to the city officials, physicians, service clubs, Knox County Hospital, State Department of Health and Welfare, our school teachers, and especially to the officers and trustees of the Rockland District Nursing Association who have tried so hard to do everything possible to make our organization a success, and in so doing have made it a pleasure to work for and with you. Your splendid coöperation has helped to achieve what has been accomplished in the past year.

Respectfully submitted,

ELIZA J. STEELE,
Public Health Nurse.

Appropriation Resolve

CITY OF ROCKLAND, MAINE IN CITY COUNCIL

A Resolve fixing the appropriations for the months of November and December, 1940.

RESOLVED, by the City Council, that the following appropriations be made to defray the expenses of the City of Rockland, for the months of November and December, 1940, said appropriations to be made from moneys raised by taxation for the fiscal year, ending November 1, 1941.

Ordinances

CITY OF ROCKLAND, MAINE

AN ORDINANCE: RELATING TO BICYCLES

Be it Ordained by the City Council of the City of Rockland as follows:

Sec. 1. From and after the effective date of this ordinance it shall be unlawful for any person to operate or use a bicycle propelled by muscular power upon any of the streets or alleys or public highways of the City of Rockland without first obtaining from the City Clerk a license therefor.

Sec. 2. The City Clerk is hereby authorized and directed to issue bicycle licenses which shall expire on July first of each calendar year.

Sec. 3. The City Clerk shall designate and provide tags for the use of the licensee and direct the manner of placing such tags on the bicycle by the licensee; and said City Clerk shall keep a record of the name of the licensee, the number of the tag and a description of the bicycle so registered.

Sec. 4. The license fee for said bicycle shall be the sum of 25c and shall be paid in advance; and said license may be transferred whenever the ownership of said bicycle is transferred but a fee of 25c shall be charged for

68TH ANNUAL REPORT, CITY OF ROCKLAND

each transfer. All license fees collected under this ordinance shall be paid by the City Clerk into the Treasury of the City of Rockland.

Sec. 5. No person shall ride or propel a bicycle upon any sidewalk.

Sec. 6. No person shall ride or propel a bicycle upon a public street or highway except in a prudent and careful manner and at a reasonable rate of speed.

Sec. 7. No person shall ride or propel a bicycle upon any public highway or street in said city unless said bicycle is equipped with a bell, horn, or other warning device.

Sec. 8. Persons riding bicycles shall observe all traffic signs, stop at all stop signs and shall further observe all traffic rules and regulations applicable thereto, and shall turn only at intersections, signal for all turns, ride at the right hand side of the street, pass to the left when passing overtaken vehicles that are slower moving and shall pass to the right when meeting another vehicle.

Sec. 9. No person shall operate or propel any bicycle without having his hands upon the handlebars thereof.

Sec. 10. No person operating or propelling a bicycle having only one saddle shall carry any other person on said bicycle.

Sec. 11. It shall be unlawful for any person while rid-

88TH ANNUAL REPORT, CITY OF ROCKLAND

ing a bicycle to hold on to a moving bus, truck or other vehicle.

Sec. 12. It shall be unlawful to ride or propel a bicycle on any street or other public highway in the city after dark unless the same shall be equipped with a sufficient light, attached to the front of said bicycle, visible from the front thereof not less than 200 feet and properly lighted; nor without a red tail light or, in lieu thereof, a reflector attached to and visible from the rear of said bicycle for a distance of not less than 200 feet.

Sec. 13. No person shall ride or propel a bicycle upon any public street or highway in the city abreast or to the left of any other person so riding or propelling, a bicycle.

Sec. 14. Any bicycle operated by the owner or other person lawfully in the custody thereof, in violation of any of the provisions of this ordinance may be taken into custody and impounded for a period of not exceeding 5 days for the first violation and not exceeding 30 days for continued violation.

Sec. 15. Nothing in this ordinance shall be construed to conflict with any other ordinance now in effect.

Sec. 16. Bicycles shall at all times, pass such inspection as to safety equipment, as may be required by the Police Department.

Passed: July 7, 1941.

CITY OF ROCKLAND, MAINE

AN ORDINANCE: AMENDING SECTION 10
OF CHAPTER XXI OF THE REVISED
ORDINANCES

Be it Ordained by the City Council of the City of Rockland as follows:

Section 10 of Chapter XXI of the Revised Ordinances is hereby repealed and the following enacted as Section 10 in lieu thereof:

Section 10. On the first Monday of April, A. D. 1942, and biennially thereafter, or at such times as exigencies may require, the mayor shall, subject to confirmation by the city council, upon the recommendation of the city marshal, appoint such number of special police officers as the mayor and city council shall determine, who being qualified by taking oath of office, shall have and exercise all the powers and duties of the regular police, under the direction of the city marshal, or in exigencies requiring immediate action. Their term of office shall terminate on the first Monday of April biennially thereafter, unless sooner removed by the mayor and city council, and their compensation shall be determined by the city council. The city marshal shall also recommend for appointment in like manner, as special police, the fire police that have been recommended by the chief engineer of the fire department, but while attending fires they shall be under the command of the chief engineer.

Passed: September 3, 1941.

Report of Superintendent of Schools

January 1, 1942.

To the School Committee and the Citizens of Rockland:

In presenting to you the annual report of the School Department of the City of Rockland, I am including summaries and brief accounts of various activities and educational opportunities, which our schools are offering to the children of Rockland.

88TH ANNUAL REPORT, CITY OF ROCKLAND

The policy of the School Committee has always been to make the Rockland Schools the most efficient possible, to adapt them to the needs and the advanced demands of the community, to provide a program planned and administered with right and true economy mindful of the protection of the community's investment in the project.

In closing this report, I wish to express my sincere appreciation to the members of the School Committee and the teachers for their constant and loyal support of the cause of Education in the Schools of Rockland.

Respectfully,

Alden W. Allen

Superintendent of Schools.

List of Unpaid Taxes

As of January 28, 1942

This list does not include the 1941 Taxes on which Lien Claims will be placed if not paid before February 5, 1942, or any delinquent accounts that have been paid in full before this report was submitted to the Printer.

This list also does not include the 1940 Taxes on which Lien Claims have been placed.
